

# For Our Profits

We rely on the man who comes back each season and buys from us his cloths and his fixings because he found out that we told him the truth about them. A lot of men buy from us for that reason. It never occurred to them, but it's the truth. We believe in STEIN-BLOCH and STERLING cloths and we have brought a lot of men in this town to believe in them. We told the truth about those clothes and they backed us up by fitting and wearing and looking stylish, when other clothes failed to make good.

### FOR A LITTLE BOY.

We've got the crankiest Santa that anyone ever had.  
He wrote he wouldn't give a thing to any boy that's bad.  
And so we have to do our best and never make a noise,  
And go to school and study hard as if we're grown up boys.  
I'll be so glad when Xmas o'er and we can make a noise  
And beat our drums and blow our horns and play with all our toys.  
For this long time of being good is killing upon me.  
And if it doesn't end quite soon I'll be too sick to see.

### FOR A LITTLE GIRL.

I've got the best Santa that you ever knew.  
He doesn't smoke or drink or chew.  
He doesn't go wandering around at night  
And putting us children all in fright.  
He comes in the day and helps us play  
He brings all our toys and he comes to stay.  
He's the very best Santa that you ever saw.  
Now guess who he is—Our Santa is Ma.

## Cut Prices on All Our Heaters

Pretty early to be cutting prices on the very article you need right now more than any other time, but we've got too many on hand, and besides we are in urgent need of some READY CASH. The prices were low enough anyway, but here goes. You'll never have a better chance to get an extra value for your money if you live a thousand years. These stoves have a standard price the world over, and to find them going at reduced prices is like finding strawberries in June. Note these prices:

A \$17.50 Heater for \$14.00

A 17.00 Heater for 13.00

A 16.00 Heater for 12.00

A 8.00 Heater for 7.00

You have been putting off buying your new heater too long already—when you need one you NEED it, and it's folly to wait. Come in now and pick it out.
